

FULL STACK WEB DEVELOPER

DevFactory is a young, emerging company, founded in 2012 and located in the heart of Lausanne. We specialize in tailored Web and Mobile development solutions, as well as the creation and development of unique Web Designs. Currently, we are in a period of strong growth and we are looking for an experienced Full-Stack Web Developer in PHP/JS.

Your missions at DevFactory will be to join a team of other young and motivated developers and designers to work on an ever growing number of projects. You'll be tasked with:

- Creating backend services for web and mobile apps
- Developing complex front end user interfaces with modern JavaScript frameworks
- Architecting systems and database designs
- Making decisions on implementations and technologies
- Maintenance and repair work on existing projects
- Management and configuration of servers and systems
- Writing unit and acceptance tests
- Minimal CSS fixes and design work

Your required skills

- Holder of a CFC or a diploma from a technical school or higher
- Strong knowledge of PHP, and Unit testing with PHPUnit, minimum 1-3 years
- Excellent knowledge of Drupal and/or Laravel (or Symfony)
- Working knowledge with at least one of the following JavaScript frameworks: AngularJS, RiotJS, ReactJS, VueJS
- Familiarity with standard web technologies such as HTML, CSS, jQuery, Composer, NodeJS, npm, JSON, MySQL, Git
- Web Servers (NGINX/Apache)
- Linux and command line (Debian/Ubuntu)
- Ability to speak in French and English

Nice to have

- Build and packaging DevOps
- Service-oriented and good mood

You are also motivated to work in a team of young developers and designers. You will be taking part in multiple facets of a small company with strong opportunities for growth. You are dedicated and happy to put in extra hours to complete a number of ambitious projects. Autonomous and ready to take responsibilities, you will have freedom to come up with new ideas and directions for our reputed clients. Lastly, you have a valid work permit and you are willing to travel within the area of Geneva and Lausanne, also to consult for clients.

If this sounds like you, don't hesitate to send us your CV and a motivation/cover letter at jobs@devfactory.ch.

Looking forward to hearing from you,
The DevFactory team
